## Experience

2019

### Web Design Assistant [CodeMash, Whyalla SA]

- Designed website layouts, templates and unique branded looks.
- Completed in-depth product design tests with help of different software, models and design systems.
- Developed creative design for marketing packages, including print materials, brochures, banners and signs.
- Built corporate brands by designing cohesive looks between elements such as logos and letterheads.

2020

### Graphic Designer [Advancing Whyalla, Whyalla Sa]

- Designed creative digital displays used in on-line advertising for local businesses.
- Created designs and collaborated with technical team to complete projects.
- Employed design fundamentals when selecting typography, composition, layout and color in design work.
- Completed final touches for projects such as images sizes and font selection.
